Does Not Dry Hands

Contains Lanoline

With or Without Pumice

“Royal Clean is one of our most popular products. In fact, our customers love our grease because its impossible to remove it, if it gets on you. Not for Royal Clean. With all the cleaning power needed and not rough on the hands, this is the hand cleaner to own.”

ROYAL CLEAN Hand Cleaner can be used with or without water. It is ideal for use where water is not convenient or readily available. For cleaning soiled hands. Its unique formulation is ideal for mechanics, roofers, oilfield and construction workers. Just apply a small amount on your hands and wipe or rinse off. ROYAL CLEAN will not leave a greasy feeling when not used with water. ROYAL CLEAN is completely safe to use just as it comes from each 7 pound container or 15 oz. tube. It will not cause irritation of the skin, in fact it contains lanolin to protect skin. Using the product regularly will prevent drying and cracking, leaving hands soft. In addition, the product is biodegradable and will not harm the environment in any way.
